

Tráthnóna Inné

Shiúil Niamh abhaile ón scoil tráthnóna inné. D'oscail sí an doras agus chuaigh sí isteach ina seomra codlata. Shuí sí síos agus rinne sí a obair bhaile.

Tar éis tamall, bhí sí críochnaithe. Ag a cúig a chlog, d'fhág sí an teach. Shiúil sí síos an bothar agus bhuail sí le Liam. Thosaigh siad ag imirt peile. Bhain siad taitneamh as an gcluiche.

Ag a seacht a gclog, chuaigh siad go dtí an siopa agus cheannaigh siad deochanna agus milseáin. Chuaigh siad abhaile tar éis sin. Bhí áthas ar an mbeirt mar bhí an-craic acu.

7. An raibh áthas ar na gcairde? Cén fáth?

Yesterday Afternoon

Niamh walked home from school yesterday afternoon. She opened the door and went into her bedroom. She sat down and did her homework. After a while, she was finished. At 5 o'clock, she left the house. She walked down the road and met her friend Liam. They started playing football. They enjoyed the game. At 7 o'clock, they went to the shop and bought drinks and sweets. They went home after that. The pair were happy because they had a great time.
